

LADAKH EXPEDITIONS 2011

ABOUT US

Expedition On Wheels is the baby born out of sheer passion of avid travelers who love to travel the less travelled and tough terrains.

Expedition On Wheels brings you an advantage of customizing Self Driving Adventure Trips to India's remotest corners, be it tough terrain of Ladakh, Desert off-road tracks of Rajasthan or non-ending grounds of Rann of Kutch. The northernmost & the westernmost terrains have been explored several times by us covering trips to Ladakh, Himachal, Uttrakhand, Kashmir, Rajasthan and Rann of Kutch ensuring that all extremities and routes are mapped and the essence of travelling grows when you discover them with us .

Company's vision is to promote Self Drive Expeditions by making Adventure enjoyable for you and ensuring a safe and hassle free journey.

OUR TEAM

Team of Expedition On Wheels is well versed with this terrain and has been involved in extreme expeditions and off roading for many years be it Raid-De-Himalaya or Desert Storm car rallies, Bike expeditions or Nano Himalayan Expedition 2010 .

Alongwith we have our own fleet of hardcore 4x4 vehicles, capable enough to get you out of the toughest situations with hand on experience over the years. Our vehicles are fully equipped with essential recovery gears, G.P.S, wireless radio, oxygen cylinder, emergency food supply and first aid boxes.

Our priority is safety first and then adventure.

OUR EXPEDITIONS

Self Drive Expedition is for those who crave to explore the land on their own. We believe that everybody in their lifetime should have an opportunity to go on a Self Drive Expedition to Ladakh the exclusive way feeling the rhythm of contentment and tranquility of the snow covered mountain passes of India.

Expedition on Wheels has come up with a unique traveling solution. Our guided expeditions are designed to challenge and inspire you even if you are not very well experienced traveler. Drive your own vehicle and enjoy the companionship and security of traveling with a group of like-minded adventurers undertaking an epic journey of a lifetime by leaving every thing else on us to take care of.

The Route is planned to provide an unforgettable motoring experience and this drive allows gradual acclimatization for high altitude.

So get ready for the most famous adventure drive of lifetime and we guarantee to give you adventures, the stories and the experience that will stay with you forever...
